

BCJK001 | #Reset Windbreaker /Kids

100% recycled polyester. Kids' packable windbreaker jacket designed to fit into its own pocket, offering lightweight, eco-certified protection against the elements. Ideal for active children, it features raglan sleeves, a safety-compliant elasticated hood, and an elasticated hem for a comfortable and secure fit. A practical elastic band on the packable pocket makes it easy to carry, perfect for every adventure. Its unisex design and label-free construction make it ideal for customization.
