

## BCJG001 | Reset Puffer

Exterior: 100% recycled nylon; padding: 100% recycled polyester; lining: 100% recycled nylon. Unisex jacket designed to deliver maximum warmth without bulk and with certified sustainability. The outer shell is made from 100% recycled nylon with a premium satin finish and treated with a long-lasting PFAS/fluorine-free DWR water-repellent coating. The high-performance eco synthetic down insulation provides effective thermal protection while remaining lightweight and comfortable even in harsh weather conditions. The adjustable and detachable hood offers extra protection, while the padded collar enhances comfort. Featuring 2 front zip pockets and printable panels, it is ideal for corporate and outdoor use and easy customization.
