

RER907X | Recycled Microfleece Jacket

100% Recycled polyester. Full zip fleece made from sustainable PERPETUAL® yarns obtained from 100% post-consumer recycled PET bottles. Soft, warm and quick-drying, it is ideal for everyday and professional use. The eco-friendly YKK NATULON® front zip, elasticated cuffs and bottom, side pockets and decorative topstitches complete a practical, durable garment designed according to circular economy principles.
